### **What is the Nature's One Refer a Friend Dashboard?**

The Nature's One Refer a Friend Dashboard is your main source for information! From your Dashboard, you can track your referrals, discounts earned, access approved company materials/marketing and instantly share your Campaign URL (also known as your unique link) via email, Facebook and/or Twitter! Instagram shares must be done independently of the Nature's One Refer a Friend Dashboard.

### **What is my Campaign URL/Unique Link?**

Your Campaign URL is the technical term for what we refer to as your unique link. Within your Dashboard, you can grab your Campaign URL from the upper right-hand corner (or you can copy your unique link from your Welcome Email) to share with your friends and family members via email, Facebook, Instagram and/or Twitter!

### **How do I share my Campaign URL?**

When you login to your Dashboard, you can access a sharing widget which allows you to easily share your link. You can send emails or post your link to Facebook and/or Twitter using this widget. You can track your social sharing stats (clicks and shares of your link) on the Stats tab in your Dashboard. Should you choose to share your link on Instagram, place the link in your Instagram bio (Edit Profile > Website > Done) and direct your followers to click on that link by using an Instagram static post and/or story!

### **How will I get paid?**

You will earn \$10 (applicable on your next purchase from NaturesOne.com) for every friend or family member that clicks on your unique link and makes a first-time purchase on NaturesOne.com. Important: Your friend or family member MUST use your unique link so that we can attribute his or her purchase to you.

### **Is there a limit to how many discounts I can earn?**

There is no limit to the number of rewards you can earn. However, only one discount code can be applied per purchase.

### **When will I receive my discount?**

Your discount code will be emailed to you within 24-48 hours after your friend or family member makes a purchase on NaturesOne.com using your share link. The email will be sent to the email address you used to sign up for the program, so please let us know if that changes.

### **What do I do if I forgot my login info?**

Visit <https://naturesone.getambassador.com/> and click Forgot My Password in the login portal. You will receive an email with your password.
